

Recommencement of Review

Merger of Ealing PCT's provider services arm, Harrow PCT's provider services arm and Ealing Hospital NHS Trust

The Cooperation and Competition Panel has decided to recommence its review of the proposed merger of Ealing PCT's provider services arm, Harrow PCT's provider services arm and Ealing Hospital NHS Trust.

The published deadline for the completion of Phase 1 was 17 February 2010; however, it became apparent that further information was required for this inquiry to proceed. Accordingly, the CCP decided to suspend the deadline for the completion of Phase 1 until outstanding information requests had been satisfied. This having taken place, a revised deadline for this phase of the review is set at 12 April 2010.
